

1. Live Landing Page

Headline

Recruiting, simplified

Value Proposition

Recruitr helps college athletes and coaches find each other by putting profiles, film, and messaging in one place.

CTA

- I'm an athlete
- I'm a coach
- Start recruiting for free

Email Capture

Waitlist signup with athlete/coach onboarding flow.

Design Direction

Landing page styled using:

- Space Grotesk typography
- Black / off-white / electric green palette
- Minimal, modern sports aesthetic
- Mobile-first layouts
- Video-centered design language

2. STYLE_GUIDE.md

Brand Overview

Brand Name: Recruitr

Visual Tone:

Bold, modern, competitive, minimal, athlete-first.

Recruitr should feel like a mix between a modern sports brand, social media, and a clean startup product.

Inter

Type Hierarchy

Element	Size	Weight
H1	64px	Bold
H2	40px	Bold
H3	28px	Semi Bold
Body	16px	Regular
Caption	14px	Medium

Component Patterns

Buttons

- Rounded corners
- High contrast
- Bold typography
- Hover animation

CTA Style

- Minimal text
- Strong action verbs
- One clear action per section

Card Style

- Soft shadows
- Rounded corners
- Minimal borders
- Large spacing

3. Demand Test Plan

Audience

Transfer portal college soccer athletes actively looking for recruitment opportunities.

Initial outreach focus:

- Columbia soccer network
- NCAA transfer portal athletes
- D2/D3/NAIA soccer players
- Soccer recruiting group chats

Angles Being Tested

Angle A - Frustration / Pain Point

Headline:

“Stop emailing into the void.”

Focus:

Athletes send dozens of recruiting emails and never hear back from coaches.

CTA:

“Build your profile free.”

Angle B - Opportunity / Discovery

Headline:

“Get discovered by verified college coaches.”

Focus:

Direct visibility to real coaches through searchable video-first profiles.

CTA:

“Get seen.”

Budget

Total Budget: ~\$200

Planned Spend:

- Instagram ads: \$120
- TikTok ads: \$40
- Reddit promoted posts: \$40

Duration:

5 days (~\$40/day)

Success Threshold

The demand test will be considered successful if:

- Landing page conversion exceeds 15%
- 40+ email signups collected
- Cost per signup remains under \$5

Pre-Flight Checklist

- Conversion works end-to-end
- Thank-you page fires after signup
- UTMs added to every ad link
- Static image creative completed
- Naming convention standardized

Campaign naming format:

Recruitr_TransferPortal_AngleA_2026-02-26

4. MVP Feature List

1. Athlete Profiles

Searchable athlete profiles with:

- Bio
- Position
- School
- Grad year
- GPA
- Highlight film
- Stats

2. Coach Verification

Manual verification workflow for all coach accounts.

Includes:

- School email verification
- Team affiliation review
- Manual approval

3. Search + Filtering

Coach-side search system with filters for:

- Sport
- Position
- Region
- Grad year
- GPA
- School
- More to come

4. Direct Messaging

Verified coaches can directly message athletes inside the platform.

Includes:

- Inbox
- Message requests
- Reply flow

5. Highlight Film Uploads

Athletes upload or link highlight clips directly to profiles so coaches can evaluate talent without leaving the platform.
